Dear friend,

My name is Zhang Lin. I am fifteen years old. I am a boy student in Guang Ming Middle School of Changsha City. I like collecting stamps, playing football and computer games. I often sing English songs with my classmates. I enjoy traveling with my parents or friends. I don't like dancing. I think staying at home all day is terrible. I'm not interested in playing musical instruments at all.

To improve my English. I want to find a pen pal in America. If you want to be a friend of mine，please write or send an email to me soon.

Yours

Zhang Lin
